Some lots are under utilized like the Hill lot while others are frequently over capacity.

Dowling is the biggest garage on campus yet also the most restrictive, which means there is a huge amount of space unused daily.

The gym lot is the most accessible lot on campus which leads to a high rate of illegal parking and a lack of space for drivers with valid parking passes.

The rules and regulations are unclear of where drivers can and cannot park in the Harleston Lot, Lower Campus Garage, and Granoff Lot.

# CONSTITUENTS

The Tufts community as a whole is directly impacted by the high rate of illegal parking.

## RELATED PROBLEMS

### Green Line Extension

When the T is expanded to campus, more commuters will be seeking parking around Tufts.

### Housing Crisis

As Tufts housing crisis evolves, the need for parking on campus will be directly impacted.

### Eye Sore Signage

Administration purposefully limits parking signs in order to preserve the aesthetic of Tufts.
